

With Rotary International's success eradicating Polio, imagine Rotary's power focused on organ donation.

26th GOLDEN GATE RELAY (GGR) May 1-2, 2021

Run, walk, volunteer, donate \$1 or an organ.

- 12 friends/2 vans/unforgettable bonding. Motivate teammates to better health.
- Win the prize for most runners, walkers, volunteers, best story, decorated van.
- Dedicate team to honor or memorialize a Rotarian organ donor or recipient.
- Share on social media - fabulous branding opportunity for Rotary.

Join Rotary/Organs R Us supporting millions worldwide waiting for organs.

Option 1: Form a team of 12 to run 190 or walk 125 miles - crossing the Golden Gate Bridge near midnight! After a 3-7 mile leg, the transfer of the baton symbolizes the transfer of an organ from donor to recipient. Sonoma, CA Rotary Lung Lover teams dedicate their GGR to lung recipient Mark Hubenette, husband of Rotarian Dr. Kimberly, khubenette@yahoo.com.

Option 2: Create a Virtual team of 1-500 anywhere on earth!

1. Family of 4: walk 1 mile, 3x/week, complete GGR (125 miles) in 2 months.
2. Team of 12: walk 1 mile, 3x/week, complete GGR (190 miles) in 1 month. Run 12 miles/week, complete GGR in less than 2 weeks.
3. Team of 500 walk 1 mile, 3x/week, circle earth (25,000 miles) in 4 months. Run 12 miles/week to circle the earth in 1 month.

Option 3: Organ Dollar Magic. Send \$1 with personal story to Organs R Us. Teach children the value of fitness, purpose and helping others.
